

PERMITTED WASTE TIRE PROCESSING AND STORAGE FACILITIES IN IOWA

The following processors and storage facilities are currently permitted by the IDNR.

A non-permitted facility MAY NOT accept tires for final disposal. It is illegal to dispose of tires through a non-permitted facility. Waste tires may be accepted through tire dealers, recycling centers, and sanitary landfills for intermediate collection.

The Iowa Department of Natural Resources provides this list for your information. For further inquiries on waste tire permitting issues contact: *Kirsten Duke, Land Quality Bureau, Iowa Department of Natural Resources, 502 East 9th Street, Des Moines, Iowa 50319, (515) 281-3302.*
